A. On-Demand Lectures: Watch Recommended lectures per week.									
• Use these as your primary resource for foundational knowledge.									
B. Chapter Quizzes: Take Recommended Quizzes per week.									
• If your score is 65% or lower, rewatch the corresponding On-Demand lecture/review study manual and retake the Quiz.									
• If improvement is still not evident, use the study manual to reinforce your understanding.									
C. Progress Exams: After completing necessary chapters Quizzes, take recommended progress exams each week.									
• If your score is 65% or lower, revisit the chapters, rewatch lectures, and retake Quizzes before moving on.									
D. Final Exams: After completing all chapter Quizzes and progress exams, start working through the final exams.									
• If your score is 65% or lower, review your weak areas, and continue to the next final exam (don't retake same exam until you've completed all final exams).									
E. Greenlight Exams (can be found under Progress Exams): 2 days before the SIE Exam, take 2 Greenlight exams.									
• If your score is 70% or lower, consider postponing your exam and repeat process. Should you feel the need to postpone your exam, please contact your field manager.
