

## Getting licensed agents is difficult enough - selecting education shouldn't be

With XCEL's two new licensing packages, we've done the legwork in bundling exam prep that's proven to help students pass the first time. Students can easily choose their own level of studying based on budget, need of study tools, and level of confidence. Our packages improve student satisfaction while making starting Insurance Licensing Training easy & speedy. Available for Life & Health, Property & Casualty and Personal Lines.
